### South-of-the-Border Sensation

As if golf at the **Four Seasons Punta Mita** weren't already exceptional enough, this fall a new Jack Nicklaus design will complement an already stellar track. Located in Nayarit, Mexico, on Banderas Bay, the currently unnamed course boasts panoramic ocean views and will differ from the existing track in bunker appearance and green structure, while also offering many risk-reward opportunities. 888.647.0979, [www.puntamita.com.mx](http://www.puntamita.com.mx).
